Men's Choir + Group Lessons	\$190	-\$33	-\$22

Sibling Discounts

If families have siblings or cousins they wish to enroll in the **same** course together, the tuition cost is merely \$15 per sibling.

- For example, a family with two siblings in Treblemakers, paying full price with no discounts, would pay \$120 for the first student and \$15 for the other, totaling \$135.

If families wish to enroll students in different courses, they will be charged the bundled tuition for those courses. If they wish to enroll both sibling A and B in the same course and sibling B in another course, they'll pay the bundled tuition plus \$15.

- For example, sibling A and B are enrolled in music appreciation. Sibling A is also enrolled in Young Artists Choir. The family will owe \$205 before discounts.

Other Notes

- There are three costs associated with Wellspring Music Arts: tuition, fees and uniforms.
- Fees cover facility rental, hiring an accompanist, printing costs, and sheet music. Fees are collected once each family, not for each student. Fees are billed to you 1-2 days after registration and due upon delivery.
- Tuition is due in two payments. These are paid via check or cash. Please bring these in an envelope labeled with your family's last name.
- Uniforms are only for performing choirs and may be purchased anytime before our first choir performance.
- All discounts mentioned only apply to tuition; they do not apply to fees or uniforms.
- Refunds are explained in the POLICY section.
